**SPECIAL INSTRUCTIONS:**

One of \_\_\_\_\_

**TO DETERMINE LENGTH OF KILT**

- 1) Person to roll up pant leg & kneel on floor staying in erect position.
- 2) Have someone mark with a pen an inch from the floor on to the knee.
- 3) Stand up and take a tape measure from the top of the hip bone where the buckles of the kilt are going to fit. Put the tape at the top of the hip bone and measure straight down to the mark on the knee.
- 4) Our kilt makers will add the rise over your measurements.
